

November – Month of Holy Souls

In November it is traditional to pray for those who have died in our parish and our families. Due to the covid 19 restrictions we are unable to leave out the Holy Souls Mass offering envelopes.

However, if you do wish to have Mass offered during November for someone who has died please put the name on a piece of paper together with your Mass offering in an envelope & pop it through the presbytery door.

In line with Government guidelines on Remembrance Sunday commemorations, the 'Blessing of Graves' service will not take place this year.
