

## Public Worship at St Mary's Roadmap out of lockdown

The government's 'stay at home' rule will end in England on  
Monday, 29th March, 2021.

This means we will be able to accept bookings from parishioners who do  
not live in the immediate Studley area  
from Holy Thursday, 1st April 2021.

The 1 Metre Plus social distancing rule remains in place & means that the  
numbers of people able to be in Church at the same time will still be  
very limited. We will be able to use only 12 benches  
to seat 2 individuals not from the same household/bubble or a family  
group/bubble to a maximum of 4.

A GENTLE REMINDER... Despite the gradual easing of lockdown  
measures in the coming weeks, our Church still has to abide by the current  
guidelines from the government. We need to ensure that we adhere to  
strict social distancing measures. This means that you will continue to be  
shown to a bench by a steward. Please follow the stewards' directions.  
FACE MASKS are still compulsory, please bring your own. Please go  
straight home after Mass & do not stand around in the carpark.  
We have done brilliantly so far & look forward to the day when all of  
these restrictions are finally lifted.

**The celebration of Holy Mass is on Saturday evening at 5.00pm**

with the exception of the Easter services. Please check the website & bulletin for details.

Our booking system remains in place, you will not be admitted  
to the Church for Mass if you have not booked.

To book a place for Mass:

Please telephone Lin Rea on 01527 545460 between  
10.00 -11.00 am on Monday morning, each week, to reserve your place at the  
5.00pm Saturday Mass of that week.

Your call will be answered so PLEASE do not leave messages on the answer service.

Please continue to check our website for the latest updates.
